effective workplace solutions

Bench Mounted Eyewash

With Stainless Steel Bowl

Standard Features

CONSTRUCTION

- 383mm (15") highly polished stainless steel bowl for bench mounting
- Stainless steel spray heads assembly with twin, soft-flow eyewash heads and instant flip-open protective dust-cover
- Built in automatic pressure compensating valve assures safe steady flow under varying water supply conditions
- Spray heads include a filter to protect users against particles from the water flow which may be damaging to the eyes and face

OPERATION

- Stainless steel 1/2" IPS valve that stays open until manually closed. Control valve is operated by a large, highly visible stainless steel push-plate.

STANDARDS CONFORMING

- Complies with Australian Standards AS 4775:2007
- Supplied with Australian Standards conforming signage
- Complies with American National Standards Institute, ANSI Z358. 1-2004
